NADOHE 2022 Annual Conference

San Diego
March 16 – 19

At the 2022 National Association of Diversity Officer Conference equity, diversity, and inclusion leaders and practitioners from colleges and universities across the country will gather to explore this year's theme: **Advancing Equity & Anti-Racism Strategies on Campus**. Today, more than ever, chief and senior diversity officers, equity, diversity, inclusion, and justice professionals and scholars, play an important role in shaping how their campuses will evolve to meet the urgency of the moment. Moving beyond an emphasis on diversity, and focusing on efforts that lead to structural change in organizations is essential work that is the ongoing challenge in higher education and beyond.

The mission of the National Association of Diversity Officers in Higher Education (NADOHE) is to lead higher education towards inclusive excellence through institutional transformation. **Your sponsorship of the 2022 NADOHE Annual Conference demonstrates your organization's support of our mission and of the Conference's ambition to highlight the policies, programs, practices, and processes that should be examined in order to create an equitable and inclusive campus environment.**
